

## Directions to Action For Autism (AFA) National Centre for Autism

Pocket 7 & 8  
Jasola Vihar  
New Delhi - 110 025

Tel: 91-11-65347422, 40540991, 40540992  
Email: ActionforAutism@gmail.com

We are about 10 minutes away from **Indraprastha Apollo Hospital**. Anyone can guide you to it. You will find the hospital on your left. Go past the hospital and you will see a flyover in front of you. Do NOT take the flyover. Instead take the road alongside and carry on. Turn left where the road turns left. Keep coming straight ahead. Then on your left, you will pass a couple of gas stations and two large buildings - The Periyar Centre and the Asia Pacific Institute of Management. After you pass these two, SKIP the first turn left. You have to take the **SECOND LEFT** after the institute.

On the left that you need to take, you will see a grey, yellow and orange building called the **Living Style Mall**. You will see billboards such as BTW, Dominoes and Tobu. Turn right in front of the building and follow the road. The road will turn left, with grey block of flats on your right. After you have gone a considerable distance you will come upon a red brick building on your left... Action for Autism. That's Us!

**If you are coming from Noida**, ask anyone to guide you to the ***Mahamaya Flyover***.

Then drive past Amity University, Sector 125 on your left and cross the ***Noida Highway*** that connects UP and Delhi. Go on to the Yamuna Bridge to go to ***Kalindi Kunj***. Take left from the T-point and go straight. Turn right from the first red light to see the grey coloured Jasola Vihar DDA Flats on your left. Take the first left and then right from the T point. You will come to a red brick building on your left... Action For Autism. That's us!

If you are coming by metro, take the violet line going towards Badarpur and get off at the Jasola stop. AFA is about 5 minutes away from there and can be reached by auto or rickshaw.
