

Cyber autism meet

AUTISM '99 - the first world-wide disability conference on the Net, opened yesterday and will be on till Nov 19. The initiative will give people a chance to learn what autism is. You can read papers on therapy and treatment, access on-line Q&A sessions and participate in live chat groups. Check out www.autism99.org or call Merry Barua at Action For Autism at 6426469, 6416470.
