

Charity over cha-cha

Shake a leg to stir some hearts is the city's new slogan. Art, live music and dance marked the annual charity dinner organised by Action for Autism. The do, held at a hotel

in South Delhi, saw industrialist Onkar Karwar, Minister of Commerce & Industry Anand Sharma, artist Jatin Das and Atul Wassan playing Good Samaritans.

A DANCE TO REMEMBER. And we thought Shovana Narayan (seen here with husband Herbert Trax) could only do the classical well!

WALK INS: Rita Sabharwal, Anand Sharma and Merry Barua
