About Us

Action for Autism is a not for profit organization that pioneered the autism movement in South Asia, and strives to access the rights of individuals with autism and their families. AFA is involved in lifespan activities including * early intervention, education, * assessments, * work and employment, * independent living, as well as * awareness, * advocacy and * research

The Vocational Centre at AFA is a first of its kind. production-oriented sheltered workplace in India, where young autistic adults utilize their previous training for work, enhancing their independence, selfreliance, and confidence. Operated by AFA, with our firm belief that every individual has great potential, it supports autistic adults to develop their vocational and work skills to the best of their individual ability

Celebrate this festive season with our products

The products are made with care by our interns. These include scarves, handmade greeting cards, diyas, door chimes, key rings, coin purses, trendy jute bags, gift paper bags, gift tags, handmade jewelry among many others. These products are sold directly to consumers and some institutions, as well as at exhibitions and fetes. The entire revenue generated from the sale of these products is used for purchasing raw materials for fresh production, and paying a stipend to the young adults who work at our vocational centre
